UNDER ARMOUR FEATURED AS A LINKEDIN TOP COMPANY!

On Thursday, May 18, Under Armour was recognized on LinkedIn's 2017 list of "Top Companies." This list celebrates the most sought-after places to work for by professionals. LinkedIn's Top Companies list is based on the billions of actions taken by LinkedIn's 500+ million members and looks at three main pillars: interest in a company's jobs, interest in a company's brand and employees, and employee retention. Under Armour ranked #16 on the list of 50 companies, and was the only retailer in the top 20! To learn more about Under Armour's recognition, click [here](#).
